

P10 Holdings, Inc. Announces Anticipated Departure of Chief Financial Officer

Dallas, Texas (April 24, 2018) – P10 Holdings, Inc. (OTC: PIOE) today announced that it has entered into a separation agreement with Jay Powers, the company’s Chief Financial Officer and Vice President of Finance. Jay will remain with the business through May 31, 2018 to support an effective transition including completion of the first quarter reporting. The timing of this event is in line with our mutual plan for Jay to complete the transformation of this business from a manufacturing business to a financial service business and increasing shareholder value. It is now time to allow Jay to utilize his skills in other business opportunities. Announcement of the successor CFO will be made at a later date.

“Jay was instrumental in the transformation of the former Active Power business from a loss making manufacturing business to a profitable and growing financial services business. He stayed on to assure the transformation and integration of the RCP Advisors business was fully accounted for and integrated with P10. We wish Jay the best of luck in his future endeavors and thank him for his leadership and excellent service throughout this transformational process to bring P10 to where it is today” said Co-CEOs Robert H. Alpert and C. Clark Webb.
